

Dear WBU club official

During these days of lockdown, social distancing and the closure of all Bridge clubs it is becoming increasingly difficult to maintain links with all our members.

The WBU is therefore contacting each club to gauge the willingness of their members to receive information via email, on a semi-regular basis.

This email may include

- News items pertaining to the WBU, clubs or members
- Forthcoming events (WBU, EBU or others)

It will **not** be used for advertising or the addresses given to a third party.

If your members wish to accept emails from the WBU, under these conditions, please ask them to opt in here <https://welshbridgeunion.org/wbu-mailing-list/>
